!!SNOW!!

Please remember the plow will start removing snow when we have an accumulation of 2 inches. Please keep an eye out for the plow truck and try to move vehicles so that they can clear more area. Vehicles that are parked in non designated parking areas will be towed at owner's expense.

CLUBROOM

Our clubroom will be getting renovated starting in January. We will not have breakfast or be able to rent it out while it is undergoing it's "facelift".

ARTS AND CRAFTS

Did you know that on Tuesday's there are arts and crafts in the clubroom? Bring your favorite craft and enjoy getting to know your neighbors and share your crafts. Call for details.

HALLWAYS

We are starting the process of installing new carpet in the halls. We will notify you prior to the date of installation in your hall. Please make sure to remove all personal items, including shoes and bikes.

If you would like some salt for the sidewalk, we have extra in the entry to the office along with buckets for it.

JUST A NOTE:

When the temperature dips down to zero or below, please try to leave a very small stream of COLD water running down your drains. This will help avoid the possibility of frozen pipes.

Refer a friend, family member or co-worker and earn some extra cash!! Make sure they mention your name on their FIRST visit. It's worth **\$500.00!!**
